Posted: January 19, 2022

VICTORVILLE, Calif. (VVNG.com) — Several RV's and boats in a storage lot were completely destroyed during an early morning fire in Victorville.

At approximately 7:12 a.m. this morning, Jan. 19, the Victorville Fire Department responded to reports of a commercial structure fire at 13393 Mariposa Rd., behind the Victor Villa Mobile Home Park, an active 55+ manufactured home community.

The fire caused a huge plume of black smoke to billow miles into the clear blue sky and was visible from around the Victor Valley.

Victorville City spokeswoman Sue Jones told VVNG the first unit to arrive on the scene reported multiple recreational vehicles with heavy fire involvement under a solar carport.

“Firefighters quickly initiated an attack, contained the fire to three recreational vehicles and two boats, and prevented the fire from extending to other vehicles or the mobile home park,” stated Jones. “Fortunately, no injuries were reported.”

The Victorville Fire Department response included three medic engines, one medic truck, multiple chief officers, and one investigator.

San Bernardino County Fire assisted with one medic engine from Station 22 in Spring Valley Lake.

The cause of this fire is still under investigation. Anyone with information about this fire is asked to contact Battalion Chief Goth at (760) 955-5227.

Authorities are investigating the death of a man after he reportedly walked into the side of a moving semi-truck on the Hesperia side of Bear Valley Road.

The San Bernardino County Sheriff-Coroner's Office on Tuesday had not yet identified the 23-year old man who was killed that morning near the corner of Bear Valley Road and Balsam Avenue pending notification of next of kin.

The Hesperia Sheriff's Station reported that at approximately 8:30 a.m. Tuesday, deputies were dispatched to the Bear Valley Road intersection with reports of an auto versus pedestrian traffic collision.

Upon arrival, deputies and **San Bernardino County Fire** personnel found a man down in the No. 3 lane of Bear Valley Road.

The man was taken to a local hospital where he later died, according to sheriff's officials.

A witness to the collision told sheriff's investigators that it appeared the man intentionally entered the roadway and walked into the side of a semi-truck traveling eastbound on Bear Valley Road.

Investigators believe the semi-truck driver was unaware of the collision and are still working to identify that driver.

The sheriff's report included information on the National Suicide Prevention Lifeline and Veterans Crisis Line.

Sheriff's spokeswoman Mara Rodriguez said she didn't have information confirming if the man was a veteran.

After the collision, Bear Valley Road was closed as sheriff's officials investigated the scene, authorities said.

The National Suicide Prevention Lifeline can be reached by calling 800-273-TALK (8255), or by texting the Crisis Text Line (text HELLO to 741741).

The Veterans Crisis Line can be reached by calling 800-273-8255 or by texting a message to 838255.
